CUT THE CORD

EQUIP YOUR TEAMS WITH BLUETOOTH
LOW ENERGY (LE) WIRELESS SOLUTIONS.

The APX 900 has Bluetooth 4.0 (LE) capability, giving you the freedom to use the radio without being wired to it. Bluetooth low energy technology delivers the convenience of "always-on," so you can stay paired to the radio without draining the battery.

ALWAYS IN CONTROL

THE APX 900 IS DESIGNED FOR
EVERYDAY EFFICIENCY.

With tactile, dedicated knobs for volume and channel, you can communicate freely without taking your eyes off the task. Even in dark areas and confined spaces, you can be confident you're using the radio without error.

DO MORE, DON'T PAY MORE

JUST BECAUSE YOU HAVE A LIMITED BUDGET DOESN'T
MEAN YOU HAVE TO LIMIT YOUR COMMUNICATION.

The APX 900 gives you secure voice and data in a rugged and reliable device. It has full P25 interoperability, plus the features you need to connect your workers - all at a great price.

COMMUNICATE ACROSS BOUNDARIES

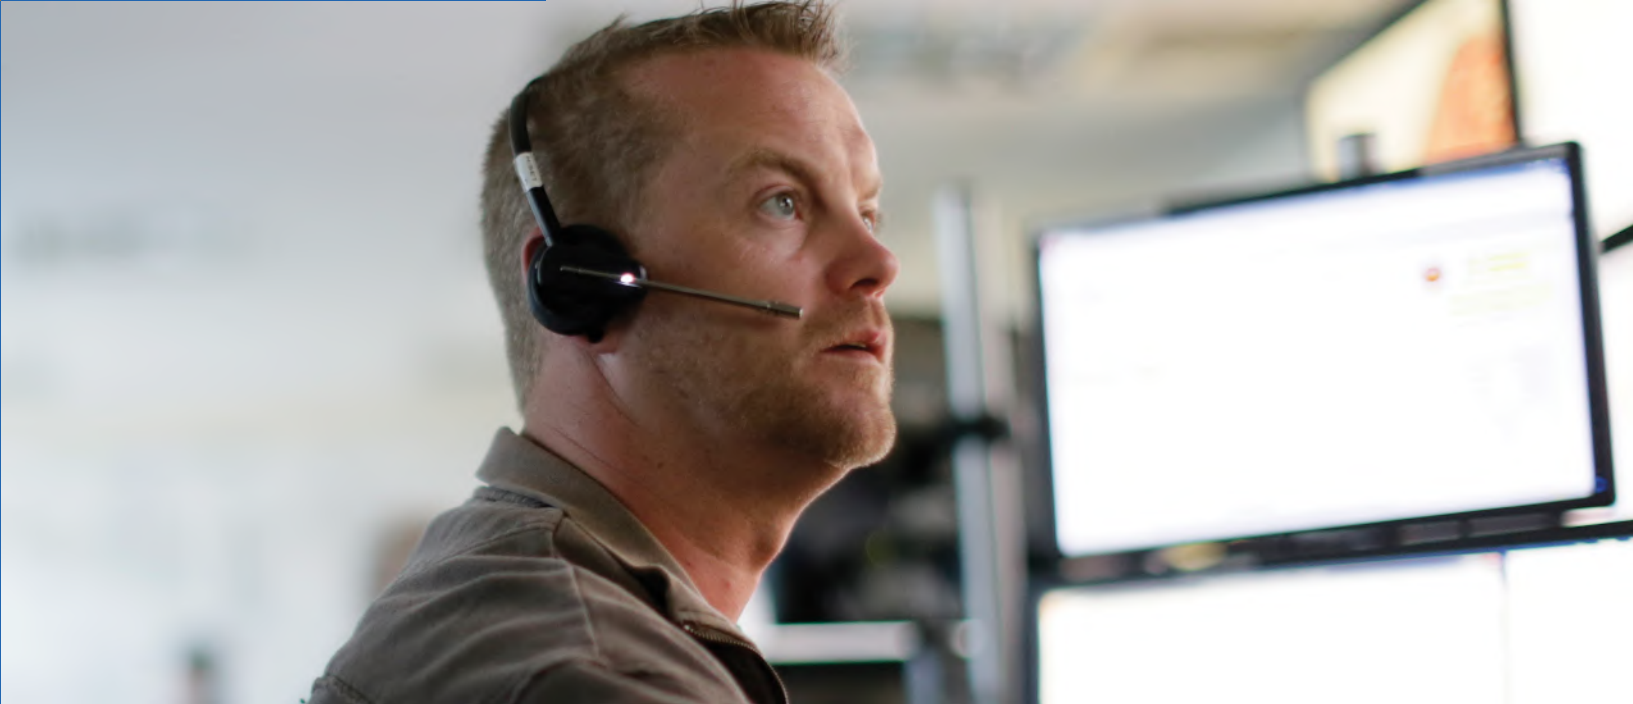

THE APX 900 IS CERTIFIED COMPLIANT WITH THE P25 STANDARD, SO YOU KNOW YOU'RE MAKING A SMART INVESTMENT.

Communicate seamlessly with other P25-compliant organizations and first responders. And if there's ever an emergency, you can coordinate mutual aid right from your radio.

BE EFFECTIVE NOW

FOCUS ON WHAT YOU NEED TO GET THE JOB DONE.

With the APX 900, even the most sophisticated features are easy to use, so you can be confident your teams aren't wasting time memorizing special settings. Give your teams the APX 900 and watch them be effective immediately.
